What I learned from the Ark: Speed isn't always an advantage. The snails were on board with the cheetahs.

Stewardship Quote: "Do you not know that God entrusted you with that money (all above what buys necessities for you families) to feed the hungry, to clothe the naked, to help the stranger, the widow, the fatherless, and, indeed, as far as it will go, to relieve the wants of all humanity? How can you, how dare you, defraud the Lord, by applying it to any other purpose?" *John Wesley*
