Session and BOM Anniversary Barbecue

Your St. John's Session and the Board of Managers who organized the barbecue last Saturday evening wish to send out a great big **THANK YOU, THANK YOU, THANK YOU!** To all those who supported us by attending, thank you. Many in our congregation were also involved in the planning and organization. Thank you, Dale and Tim, for putting up and taking away all the tables and chairs. Thank you to Gary Postma who entertained on the organ, both in the sanctuary as people waited and during dinner in the hall. Thank you to the WOC and some Session members for baking and providing all the desserts. Thank you to individual Session members and Board members who were present and contributed time and effort throughout the process. Many members of the congregation also supported with time and effort while many made donations toward the cost of the food necessary for this endeavour. We have a profit of just over \$3,000. This amount will contribute to our Heart of the City Loan and will actually put us over the top, so we can now begin a new initiative.
