# But the greatest of these is

With your help and support we can eliminate the roof debt of \$6,105.67 and share love with others. Here's how it works:

1. Find the Heart Campaign envelope in your pew or at the exits. Complete the front of the envelope.
2. Write the names of the person/people on the back of the sheet and put it in the envelope with your donation.
3. Place your completed Heart Campaign envelope on the offering plate!
4. Please indicate the name(s) of the person/people you would like to receive your heart(s) on the back of this sheet. Hearts will be delivered to shut-ins and those who are unable to attend worship.

Each week watch the love grow and the debt shrink on the Heart Board in the MacLellan Room! Each time you send someone some love, your name will be added to the board. Not only are we growing our love as Christians, we can eliminate the debt!

A Message to our St. John's Family  
**PLEASE, PLEASE, PLEASE!**

If anyone is planning an event involving food and refreshments, we want to remind you that there is a surplus of **single use** plastic straws, utensils (knives, forks, spoons), small plates, and coffee stir sticks in the kitchen cupboard and also in the Rennie room upstairs. There are hundreds of styrofoam cups and paper napkins on hand as well.

We even have cans of coffee that have pending best before dates and need to be used up. So **before** you go out and buy more supplies, maybe we can all try to use what inventory we have on hand, **then** start thinking about replacing plastic and styrofoam items as necessary with compostable types that are now available for purchase.

As Christians, let's be good stewards of the Earth and do our part to improve our environmental impact.
