### The Can Man

We continue to collect aluminum cans on a weekly basis. They can be left in the coat room in St. John's Hall. Thank you to those who support this worthwhile fundraiser with every kind of can imaginable. I know that some have a secret source and work diligently to bring their stash weekly. Others collect at a slower pace and bring a bag occasionally. The money raised is money members don't have to take out of their own pockets. Remember to ask your friends and neighbours to collect their cans for St. John's. I'm sure they won't mind at all!
