#### **Givings Update**

Church attendance is always variable during the summer months, and with that, so is the pattern of giving. We are grateful to the congregation for their generosity during the summer months. We received **\$27,425** and our goal for that period was **\$29,774**. This leaves a little way to go to meet our mark (\$2,349). Any assistance you can offer to help us build up our givings would be greatly appreciated!

#### **Prayer Request**

Feel a need for prayer? We welcome your prayer requests for our public worship service. Simply fill out the sheet in the MacLellan Room, or contact us at the office. We're here to support and uplift each other through the power of collective prayer.
